

FEATURES & BENEFITS

- ① **Heavy Duty Triple Piston Cat Pump** 
- ② **Unique Brendon Live Hose Reel, with stainless steel reel centre shaft and rotary union.**
- ③ **Steel frame canopy with UV Polypropylene Cover**
- ④ **Robust protective tubular frame available in choice of colours.**
- ⑤ **Water suction capability, 4.5m of suction hose fitted**
- ⑥ **Simple throttle control for pressure regulation**
- ⑦ **Canopy mounted detergent system**
- ⑧ **Diesel model with push button starter**
- ⑨ **Thermo Sensor Valve protects the pump from over heating when left for periods without operating the trigger.**
- ⑩ **Solid wheels to eliminate punctures.**
- ⑪ **Turbo Nozzle (Optional Extra)**
- ⑫ **Honda Petrol or Yanmar Diesel**

SPECIFICATIONS

Pressure	140 Bar / 2000 PSI
Volume	2.9 GPM / 13.2 LPM
Pump	Quality Triple Piston Cat Pump
Engine	Choice of Yanmar Diesel or Honda Petrol
Drive	Industrial 2:1 Gearbox Drive
Supply	4.5m Suction or Direct Feed
Noise	Petrol: 99 Lwa dB Diesel: 108 Lwa dB
Lance	1m Lance Standard
Hose Reel	10m HP 3/8" High Pressure Hose
Thermo-sensor Valve	Protects pump from overheating
Weights	Petrol: 70.5kg Diesel: 92kg
Dimensions LxWxH mm	LxWxH 1085mm x 600mm x 670mm
